

Artikelverwaltung anpassen:

Optionen -> Einstellungen -> Benutzer -> Verwaltung -> Artikelverwaltung -> Baumkonfiguration ->

The screenshot shows the 'Baumkonfiguration' dialog box. It has a title bar with a close button. The main area contains a 'Schema:' dropdown menu set to 'Mein neues Schema', a 'Beschreibung:' text area, and a 'Hauptknoten:' section. The 'Hauptknoten:' section has a table with two columns: 'Datensatztyp' and 'Hauptknoten'. The first row has 'Artikel' in both columns. Below the table are 'OK' and 'Abbrechen' buttons. To the right of the dialog, three red arrows point to specific icons: the first points to a star icon in the top toolbar, the second points to a star icon in the 'Hauptknoten:' toolbar, and the third points to a three-dot menu icon in the 'Hauptknoten' table. Each arrow is accompanied by a text box containing an instruction.

Zur Konfiguration

The screenshot shows the 'Baumkonfiguration - Hauptknoten' dialog box. It has a title bar with a close button. The main area contains a 'Datensatztyp:' dropdown menu set to 'Artikel', a 'Name:' text field set to 'Artikel', a 'Filter:' text field with a three-dot menu icon, and an 'Eigenschaften:' section. The 'Eigenschaften:' section has a toolbar with a star icon, a red arrow icon, and a blue arrow icon. Below the toolbar is a table with the title 'Eigenschaften' and several rows: 'Produktobergruppe', 'Produktgruppe', 'Hersteller', and 'Artikel: Bezeichnung 1'. Below the table are 'OK' and 'Abbrechen' buttons. To the right of the dialog, a red arrow points to the star icon in the 'Eigenschaften:' toolbar, accompanied by a text box containing an instruction.
