In UGS NX 5 it's possible.

The following automatic text elements were added in NX 5:

Number of the current sheet: <W@\$SH\_SHEET\_NUMBER>

Total number of sheets: <W@\$SH\_NUMBER\_OF\_SHEETS>

Numerator of the sheet scale: <W@\$SH\_SHEET\_SCALE\_NUMERATOR>

Denominator of the sheet scale: <W@\$SH\_SHEET\_SCALE\_DENOMINATOR>

Size of the current sheet: <W@\$SH\_SHEET\_SIZE>

Units of the current sheet: <W@\$SH\_SHEET\_UNITS>

Projection angle of the current sheet: <W@\$SH\_SHEET\_PROJECTION\_ANGLE>

Master Model drawing sheet part name: <W@\$SH\_MASTER\_PART\_NAME>

Sheet part name: <W@\$SH\_PART\_NAME>
