| Product | Release | Maintenance Release | External Testing Ship Date | Production - English Ship Date | Production - Languages Ship Date | Release Maintenance Discontinued |
|---------|---------|---------------------|----------------------------|--------------------------------|----------------------------------|----------------------------------|
|---------|---------|---------------------|----------------------------|--------------------------------|----------------------------------|----------------------------------|

| Key | Definition |
|----------------------------------|--|
| FCS | First Customer Ship - The date shipments begin to customer whose maintenance is active. Completion may take 2-3 weeks |
| DSU | Downloadable Software Update - Corrective code for active maintenance customers that can be downloaded from the Tech Support Page |
| MOR | Maintenance Only Release - Correct code that is shipped to active maintenance paying customers (MOR1 = M010) |
| PDS | Product Development System |
| Bold Dates | Past Dates |
| Italics Date | Future Dates, subject to change without notice |
| Qualification Date | The date QA has completed their systems and customer qualification testing |
| External Testing | Date QA exposes pre production code to customers for pre viewing |
| Quarters | Listed are based on calendar quarters |
| Maintenance Release | The mechanism to regularly deliver corrective code |
| Release Maintenance Discontinued | PTC Technical Support will accept calls and offer advice related to the release however, they will not be able to create or track software performance reports (SPRs) against this release and will attempt to duplicate issues only in the currently supported release of the software. |
| K-03 | Internal Name for Wildfire internal naming used by PTC until the official release |
| L-01 | Internal Name for Wildfire internal naming used by PTC until the official release |
| X-10 | Internal Name for Windchill internal naming used by PTC until the official release |
| X-20 | Internal Name for Windchill internal naming used by PTC until the official release |
