# Presenting your colorful ideas

Wide format color systems to maximize your design assets

- Océ green button operation
- Excellent sharpness and legibility
- Reliable and on time
- Consistent output
- Versatile media handling
- Meets future needs

# Presenting your colorful ideas

## Océ CS2224 / CS2236 / CS2236MF

### Wide format color systems to maximize your design assets

#### CAD designer

#### Clear communication even under pressure

Strong, clear presentation is vital for my designs. So I won't compromise on output quality, even with tough deadlines. That's no problem with the Océ CS2236MF multifunctional.

- My prints, copies and scans, color or monochrome, are always right first time, thanks to Océ green button operation
- I always get excellent sharpness and legibility, even on plain paper
- My jobs are done reliably and on time, whether it's digital or hard copy

These economical devices are the fast, easy way to get your plans and technical information on paper. Whether it's engineering designs and drawings, architectural plans or GIS plots, you'll see the difference in sharpness and clarity. You can choose from printing widths of 24 or 36 inches or a multifunctional for quick, convenient copying and scanning of hard copy drawings. Each system will maximize the results of your design assets.

## Key benefits

	Océ CS2224	Océ CS2236	Océ CS2236MF
<b>Océ green button operation</b>			
Océ predefined print and color settings	Yes	Yes	Yes + copying and scan to file
Ink level and media monitoring via driver and web browser	Yes	Yes	Yes + Océ Copy Easy: media monitoring via back channel with printer
<b>Excellent sharpness and legibility</b>			
Océ media profiles	Yes	Yes	Yes + copy profiles
4 colors	Océ gamut dye inks: CMYK Océ high density pigment ink: black		
Number of ink tanks	6 (2 pigment black)	6 (2 pigment black)	6 (2 pigment black)
Resolution	2,400 x 1,200 dpi	2,400 x 1,200 dpi	Optical resolution scanner: 1,200 x 1,200 dpi
Drop size	4 pl	4 pl	
Ink tank size	130 ml	130 ml	
<b>Reliable and on time</b>			
Automatic adjustment	Print head height Color calibration	Non-firing nozzle detection and compensation Media feed	
Max. printing speed	0.6 min per A1	56 sec per A0	Scan speed: 1.5 m per minute
<b>Consistent output</b>			
Automatic loading of Océ media profiles	Yes	Yes	Yes + copy profiles
Automatic application of Océ print and color settings	Yes	Yes	Yes + copy settings
<b>Versatile media handling</b>			
Max. media width	Max. 610 mm	Max. 914 mm	Scan width 914 mm/36 inch Original: 1168 mm/46 inch
Max. media thickness	0.8 mm	0.8 mm	Original: 1 mm
Media feed	Roll and sheet Cassette: 0.08-0.3 mm	Roll and sheet	Original feed: central
Max. roll length	120 m, outer diameter roll < 150 mm		
<b>Meets future needs</b>			
RIP	Bundled: Onyx CADPro RIP for HPGL/2 files and other file formats Optional: Upgrade to Onyx, GraphicsPro for PS files	Bundled: Onyx CADPro RIP for HPGL/2 files and other file formats Optional: Upgrade to Onyx, GraphicsPro for PS files	Bundled: Onyx CADPro RIP for HPGL/2 files and other file formats Optional: Upgrade to Onyx, GraphicsPro for PS files Upgrade Océ Copy Easy to Océ Color Copy (optional)

Océ compact stand  
Océ CS4236 scanner stand  
Original receiving basket  
Océ Copy Easy  
USB2 cable, Power cable  
Maintenance kit and CD

## Océ CS4236 specifications

Scan width	36 inch / 914 mm
Original width	46 inch / 1168 mm
Optical resolution	1200 × 1200 dpi (9600 dpi interpolated)
Technology	CIS (Contact Image Sensor)
Original handling	Face up
Original release	Front and back
Scan speed	400 dpi turbo mode, Color: 1 ips – 1.5 m/min, Monochrome: 7.5 m/min
Scan modes	Color, grayscale and 1 bit monochrome
Supported operating system	Windows XP, 2003 server and Windows Vista 32 bits
Standard interface	Double speed USB2 with xDTR
Installation	User installable, installation guides, CDs and tools included
Boot-up time	7 sec. (warm up time: n.a.)
Weight excl. stand	30 kg
Power requirements	110V/220V/240V/50/ 50 HZ
Power operational	44 W
Power, sleep mode	<= 3 W (energy star compliant)
Dimensions excl. stand	1525 × 480 × 161 mm
Awards	ISO 14001, 2004 Environmental Management System
Certifications	Energy Star, RoHS, UL ,CE, Gost-R, CCC and VCCI
Produced	European Union
Options	Océ Color Copy

# Océ Copy Easy software Specifications

## Copy features

Direct ready for copying	Automatic scanner detection, no closed loop calibration required, scanners, media and printer precalibrated, color and monochrome output, copy & scan to file
Green button color copying	Automatic printer media type detection, automatic printer media width detection Standard copy profiles for 16 Océ media, standard image enhancement for 5 original types
Original size detection	Automatic or manual
Instant copying	Printing while scanning (set original size manually)
Preview	Preview original, preview effect of original enhancement, preview position on roll media, zoom in/out
Copy area of interest	Select copy area with mouse
Simple nesting	Nest multiple copies of same scan
Deskew original	Automatic deskew original
Original rewind	Configurable

## Scanning features

Green button color and monochrome scanning	Standard image enhancement for 5 original types, automatic file name increment
Supported file formats	BMP, EPS, GIF, HPR, HP-RTL, IFF, JPEG, J2K, JPEG2000, PCX, PDF, PDF/A, PNG, PPM, TGA, TIFF, 6RN

## General

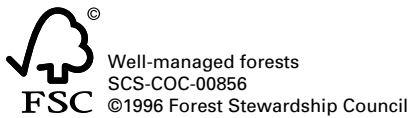

Operating systems	Windows 2000, Windows XP, Vista 32-bit
Minimum platform	Intel Pentium IV 2.66 GHz/Atlon, 60 GB hard drive, 1 Gb RAM, network board 100BaseT
Zooming	1–1000%
Supported printers	Océ TDS300, Océ TDS320, Océ TDS400, Océ TDS450, Océ TCS300, Océ TCS400, Océ TCS500, Océ CS2xxx series, Océ CS21xx series, Océ CS22xx series, Océ CS2344, Océ ColorWave™ 600
Footprint Océ CS2236 MF	Normal stand: 2.0 m <sup>2</sup> Compact stand: 1.5 m <sup>2</sup>

# Beyond the Ordinary

Building a sustainable business has always been one of our core business principles. We do this by developing products and services that add value to the document processes of our customers, while minimizing environmental impact. And we conduct our business activities in a socially responsible manner aimed at preventing health, safety and environmental risks.

## Océ Wide Format Printing Systems Partners, awards and certifications

**océ**  
**Printing for Professionals**

Océ helps the people who make our world. Companies everywhere use Océ technical documentation systems in manufacturing, architecture, engineering and construction. Each week, high speed Océ printing systems produce millions of transaction documents such as bank statements and utility bills. And in offices around the world, people use Océ professional document systems to keep the wheels of business and government turning. Océ is also at work in publishing on demand, newspaper production, document management outsourcing and wide format color for spectacular display graphics. It all helps our professional customers go 'Beyond the Ordinary' in printing and document management.
