carpet grey

The image shows a technical architectural drawing. On the left, there is a solid dark grey rectangular area. To its right is a larger area filled with diagonal hatching lines. A thin black line outlines the perimeter of the hatched area. Below the hatched area, there are several thin black lines that appear to be part of a larger floor plan or structural grid. On the right side of the hatched area, there are three thin black lines that extend outwards, possibly representing walls or structural elements. The entire drawing is set against a light grey background.
