

das Gruppieren funktioniert mit dieser Schaltfläche ganz rechts:

The screenshot shows a software interface with a toolbar at the top and a table below it. The toolbar contains various icons, including a group icon (a blue square with a white 'X') which is highlighted by a red arrow. The table has five columns: a selection column, a small icon column, a 'POS-NR.' column, a 'BENENNUNG' column, and a 'BES' column. The first two rows of the table are highlighted by red arrows, indicating they are selected. The first row has a selection icon, a small icon, '1' in the 'POS-NR.' column, 'VT-0905047-Keramikkörper' in the 'BENENNUNG' column, and 'BES' in the 'BES' column. The second row has a selection icon, a small icon, '1' in the 'POS-NR.' column, '1.100-547' in the 'BENENNUNG' column, and 'BES' in the 'BES' column.

		A	B	
		POS-NR.	BENENNUNG	BES
2		1	VT-0905047-Keramikkörper	
3		1	1.100-547	

Also zuerst die gewünschten Sachen in der Zeile auswählen und dann auf die Schaltfläche drücken.
Drückt man die Schaltfläche nochmal kann man die Gruppierung wieder aufheben.
